

SAMPLE - Communication/Social Behavior Goal

Goal #4: Given specific visual or verbal communication expectations specific to peer situations, Bob will choose the appropriate (given/scripted) response the next time the situation occurs, 2/3 trials.

- 4.1 Ask appropriate adult to assist with communication situations
- 4.2 Practice the given response/script with an adult
- 4.3 Use a visual (written cue) to identify appropriate and inappropriate choices to previous communicative situations
- 4.4 Verbally state the appropriate future communication mode to use
